- 15:40 – Debat**
16:25
- 16:25 – Afsluttende bemærkninger**
16:30 *Professor Poul Nissen, Institut for Molekylærbiologi og Genetik, AU*
16.45 **Vi mødes i hovedsalen**

Hovedbudskaber

Visionen er at skabe dansk life science i verdensklasse til gavn for patienter, samfund og virksomheder.

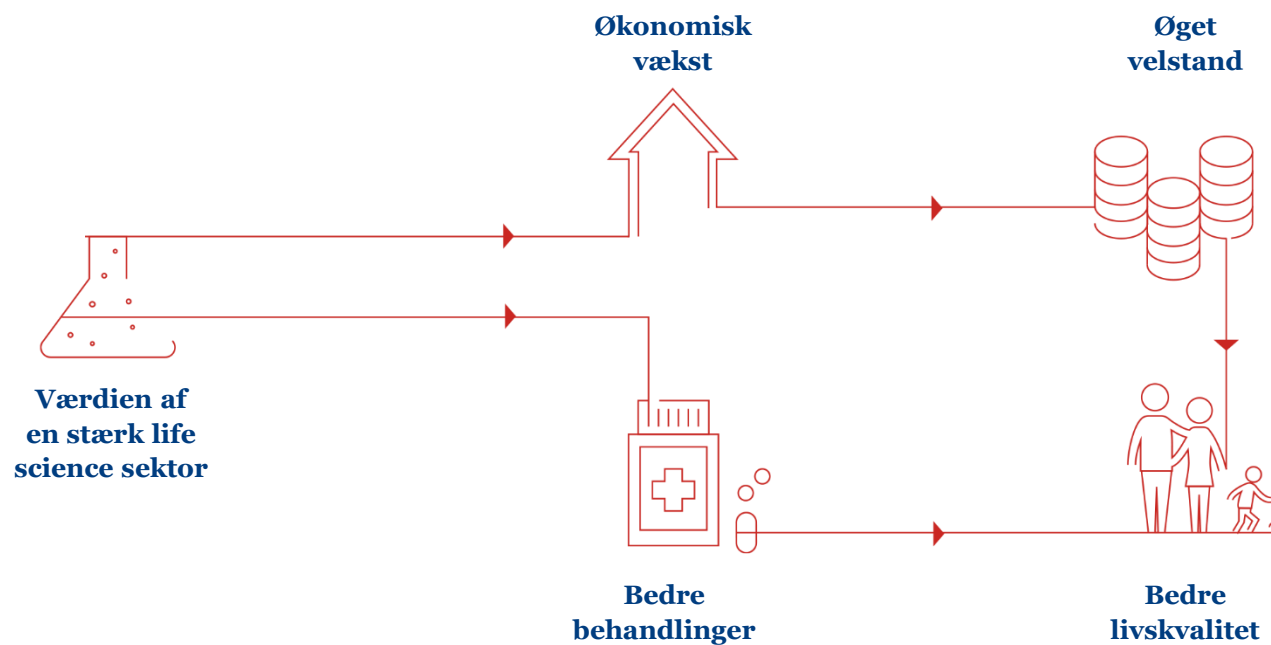

Dansk life science har potentialet til at fordoble sin eksport frem mod 2025.

Dansk life science i verdensklasse forudsætter politisk fokus og forankring.

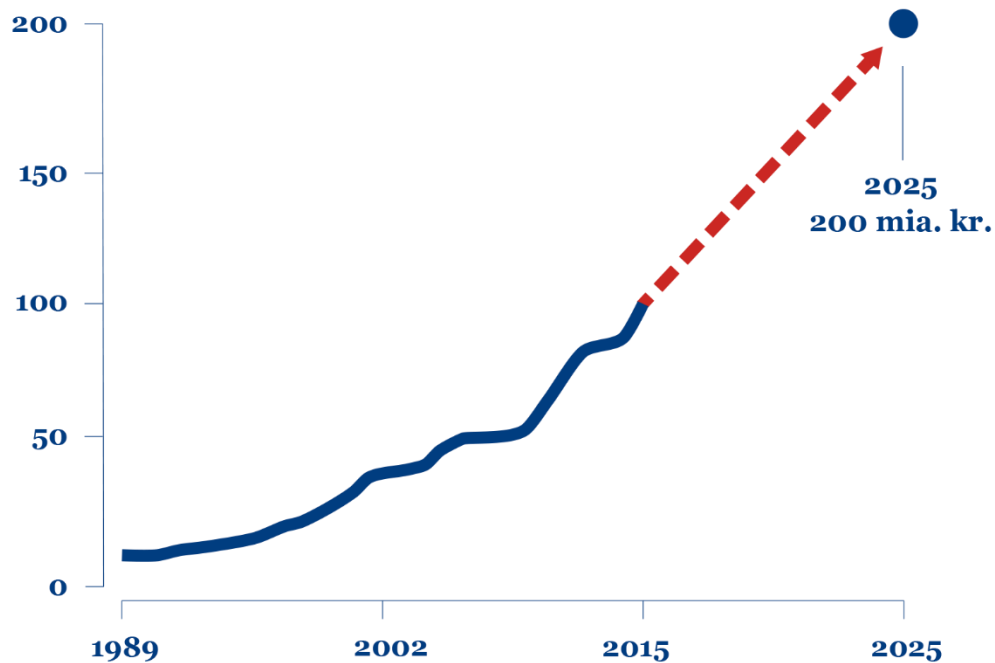

Værdien for Danmark

Life science som vækstmotor

Life science vareeksport

MIA.KR.

Life science som vækstmotor
